By: Ed Leahy, Security Committee

Mark your calendar today for April 1, 2014, for the Security Begins at Home Expo to be held in the Auditorium. This is an event where you will learn about ways to keep your home more secure, and if you get a coupon at the Activities Office, you will be offered a free ice cream which will also qualify you for security related door prizes. If your Block Watch attends as a group, you will get credit for an official Block Watch meeting.

Among the exhibitors will be Costco, Lincoln Garage Doors, Eco Advantage Security and Gates, Mesa Police, and Roll Shutter Systems. Each exhibitor will provide a door prize worth up to a value of $50.00. In addition, Karen Stegenga, Mesa Police Crime Prevention Officer, will explain how to form a neighborhood watch on your block. The Security Committee has made this an annual event in order to promote Block Watch groups in SSV. Since the inception of the Mesa Police Block Watch at SSV, we have been a low crime area, and it is in all our interests to keep it that way. A Block Watch is based on a simple, old fashioned premise—being neighborly—in short, neighbors looking out for neighbors.

As Mesa taxpayers, we have the protection of the Mesa Police, but the police cannot sit in front of each and every one of our homes and protect us from break-ins. SSV is also patrolled every night by a private security company, but they also cannot sit in front of our homes to protect us. The best way to do that is by not giving intruders opportunities by being watchful neighbors in a neighborhood watch program.

Get your ice cream coupon today. Last year they went like hotcakes.

**Happy St. Patrick’s Day!**

**On the Manager’s Mind**

Greetings SSV Residents! While the Northeast part of the country was blanketed in snow for most of February, we have been enjoying spring-like weather in Arizona! Now that kind of weather is exactly the reason I LOVE Arizona. While we do get to enjoy this kind of weather almost year round, it seems that the spring season brings on one of the most peaky things I cannot stand . . . WEEEDS! Please be sure that you are checking your home site frequently, and spraying for weeds before they get out of control.

For those of you that have purchased a resale home in SSV, please be sure to stop by the office or visit our website, ssvhoa.com, to complete a Resale Packet. This is to ensure that we have updated our information to reflect that you are the new homeowner. Another very important form is the House Watch “Away” Form. I know that many of you are already making plans to go gone for the summer months, and we need this form on file before you go. This form is available at the office or on the SSV Website.

I know that many of you are talking about modifications to your homes before you leave for the summer. Please remember that an Architectural Application MUST be completed and approved by the Architectural Committee before work can begin. The Architectural Committee meets twice each month: The first and third Tuesday at 8:30 AM. Please have your requests turned in before these dates. This committee reviews 40-50 requests each month. There is a lot of material to review, so the more information you provide, the easier it is for the committee to approve your request. If the information you provide is not thorough, this could delay your approval. The committee will return the request to you, and it will not be reviewed until the next committee meeting.

I hope everyone has a marvelous March!
Billiards Club
By: Sharon Herr, Secretary
At our annual meeting and pizza party on January 11, 2014, the officers elected were: Linda Bistled, President; Ed Brunkhorst, Vice President; Joani Baronti, Treasurer; and Sharon Herr, Secretary.
Then on January 18, we had an in-house couples billiards tournament. The winners were:

1st place – Sharon Herr and Deane Weekley
2nd place – Barbara Harvey and Bob Osiiecki
3rd place – Mary Catherine Myers and Tom Weisenburger, 480-584-6136, to register for the tournament.

Shuffleboard
By: Mary Lou Lange
Things have been really busy at the shuffleboard courts the past few weeks. Usually 40 persons shuffle during open shuffling on Monday, Wednesday, and Saturday mornings. Nice to see a lot of new faces joining the club. Also, the out of the park four leagues have been shuffling on Thursday afternoons. Sunday, February 9, thirteen people attended the beginner clinic for shufflers. Another clinic is being planned for some time in March. Check the Forum for further details on date and time.

There were 55 shufflers who participated in the “Battle of the Sexes” on Saturday, February 15. One of my purposes for the league is to have some men volunteer to be the opposite sex to make even teams. I know everyone is so anxious to find out the results, but you will just have to wait until next month’s Voice article. March 8 there will be a Can-Am (Canadian-American) tournament held at 9:00 AM at the courts. Please contact Ron and Elaine Weisenburger, 480-584-6136, to register for the tournament.

The spring general meeting and catered dinner will be held on March 8 from 4:00 to 6:00 PM in the Superstition Room. Election of officers for next year will be held. Please note that due to the tennis tournament, shuffling on March 17, 19, and 22 will be held in the evening at 6:00 PM instead of the usual 9:00 AM schedule. Please bring your favorite appetizer to share and your choice of beverage. We will be limited to eight boards due to court lighting.

Open shuffling is held every Monday, Wednesday, and Saturday mornings at 9:00 AM. Please arrive 15 minutes early to help prepare the boards and get your board assignments. No special equipment is needed as shuffle sticks are provided. See you on the courts!!

Ladies 18-Hole Golf
By: Karen Hailey
We will be having another tournament in March, watch for the sign-up sheet. We also have mixed doubles play on Friday evenings at 6:30. Very popular and a lot of fun. Come join us.

Free lessons have been a big success with Bob Briggs, Jerry Nelson, and Linda Bistled teaching for every level of play. All league teams are working hard to win their league as the season is winding down.

Tournaments will be held the first eight boards due to court lighting. Six teams of four will be announced, prizes awarded and many fun stories shared. Be sure to check the Ladies League bulletin board for all notices, times and rulings for this great event.

Any questions, at any time, please contact one of your Board members.

Pickleball
By: Karen Copeland
Our Pickleball Club would like to thank all those that supported the Fashion Style Show we hosted in January. Due to unforeseen circumstances that were out of our control, the caterers, were not fully prepared to efficiently serve a group of this size. For those of you who attended, we apologize and thank you for your patience. Many thanks to Elaine Palmer, Marilyn Laundon, and Karen Hess who spent many hours planning and organizing this event, as well as the many volunteers who helped make it happen.

Improvements have been made as a result of our fundraising efforts. Two gates were installed on the inner courts to prevent the pickleballs from rolling into other courts when hit out of play. Wind screens have also been installed, thanks to Frank Bennett, Rick Briggs, Larry Jackson and Gary Wagner. The gates and screens help make playing easier and more fun.

If you are interested in learning the game of Pickleball, come on over to the courts any Tuesday or Thursday at 10:00 AM or call Mitchell Johnson at 602-740-2446. We have several members who will be happy to work with you. We even have extra paddles available for your use to see if you like the game before investing in a paddle.

Marching to the Tip of the Month: Take time to focus when serving. Don’t call out the score as you are serving. Often this will have you serving out of bounds, too high or too slow. Instead, count out the score, take a deep breath, and then serve the ball.

Check out the bulletin and communication boards at the courts for current schedules of play. To learn more about the club and making court reservations, visit our Web Page at www.ssvhoa.com/pickle-ball.html.

Mixed Couples 18-Hole Golf League
Submitted by Kathie and George Bones

“Forget your opponents; always play against par.” ~Sam Snead

Mixed Couples golf is played year round at Sunland Springs Village. Please check out our club on the Couples bulletin board in the Pro Shop for contact information, details on schedules and special events.

The Board of Directors hosted a special Valentine social last month. The members enjoyed a buffet of mixed meat cocktails, fruit and vegetable platters, salad, dessert and “Sweetheart punch.” We shared photo memories of loved ones; captured new picture memories, enjoyed music, special prizes, and a flower memento for our lady members.

The 13th Annual Presidents Cup Tournament takes place on March 7 and 14. The Awards dinner will be held March 28 with prizes awarded for closest to the pin, longest putt as well as the winners in each flight plus door prizes. You must have a handicap to participate in the tournament.

We have laid out the red carpet for a super event. An event of which the entire community can be proud. Over 200 volunteers will be doing everything they can to make this a super event. See you there!

We will be hosting our 14th Annual SSV Mixed Doubles Tennis Tournament March 17-24. Each level of play, starting at 1.5 with beginners to our most advanced group at 4+, will be playing over six days of great tennis. Because of the magnitudes of this event, we will be using all 12 of our tennis courts.

So come on out and support your local teams. It is free! As an added bonus, we will be having some of the best hamburgers, tacos, salads, brats, and all the fixin’s for a great price! Don’t miss out on Dale’s famous breakfast burritos either.

We will also be having several vendors showing and selling their products.

Make Yoga a Habit
By: Christine Marcus

According to many experts, YOGA helps fight gravity, release stress, reduce anxiety and improve your posture (More Magazine, January, 2014). Why not stay young with YOGA and make it a habit? Try downward facing dog, tree pose, warrior, chair, plank, dolphins, pigeon, etc. Just some of the many poses we do in YOGA. These poses (asanas) will promote relaxation through breathing techniques, increase flexibility, and strength.

Research also shows that people are just as likely to revert to positive habits (e.g., yoga, walking) as they are to negative ones (pigging out on cookies). When faced with stress, we act habitually. Make YOGA a good habit. Let YOGA be a part of your healthy lifestyle.

Join us for classes. Monday – Wednesday – Friday at 8:30 – 10:00 AM in the Auditorium. Cost is $3.50. Thursday evening at San Tan Center is from 5:45 – 7:15 PM. Cost is $5.00. YOGA is done barefoot. Wear comfortable clothes to move in.

Ronald McDonald House Tour

By: Dick Paulin

On Tuesday, February 11 after Coffee Time, twenty SSV residents loaded up 19 five gallon buckets of pull tabs (339 pounds) for a total of 429,513 tabs that have been collected this year. They were delivered to the Ronald McDonald House in Phoenix. We also took 30 children’s quilts that were made by Nita Glander and eight other residents.

In addition, Dan Radeka had been collecting personal and cleaning items (a total of twenty boxes) for the new House to be located at Cardon’s Children’s Hospital in Mesa. Since that house has not been completed, we took them along to Phoenix.

The group was given a tour of both Houses in Phoenix. It was very heartwarming to see what they do for the families of the children. Some of the families are there for months and could not afford to stay in a motel. After the tours, we gathered at Jerry’s restaurant for some socializing. Everybody had a good time.

Mark your calendar for May 6 when we will be making another trip to the Ronald McDonald House.

Chapel Tidings

By: Springs Chapel Board

Springs Chapel, a non-denominational, Bible-based ministry, offers Sunland Springs Village residents a community worship service each Sunday at 9:00 AM in the Auditorium. Pastor Anthony Bryant and Pastor Lanny Barringer serve as Springs Chapel pastors. Following worship services, attendees are invited to stay to fellowship with friends and neighbors and enjoy complimentary rolls and coffee. Communion is offered the first Sunday of each month.

Springs Chapel activities include a mixed choir, men’s and women’s breakfasts, and Christian women’s reading groups, as well as several special events. If you wish to join the Chapel Choir, contact Judy Herr (480-659-7026). Chapel men’s and women’s groups meet once a month on a Thursday morning. For information on times and places for the breakfasts. For information about times, places, and reading materials for the women’s reading group, contact Sylvia Hansen (480-984-4347).

Springs Chapel invites everyone to attend its services and participate in its activities. Residence in Sunland Springs Village is not a requirement for attendance – EVERYONE IS WELCOME TO ATTEND regardless of place of residence.

Many of us over the past few weeks have been focused on the Olympic competitions or “races for the prize.” Each of us has also been called by our Lord to run a race of faith, and this race lasts not only for a few short days, as do the Olympics, but for a lifetime. Hebrews 12:1-2 says, “...let us also lay aside every weight, and sin which clings so closely, and let us run with endurance the race that is set before us, looking to Jesus, the founder and perfecter of our faith.”

Community Bible Study

By: Ardella Burton

A community Bible study is held every Friday morning at 9 AM in the Springs Card Room. The Bible study is open to anyone who wishes to attend and is not restricted solely to residents of Sunland Springs Village. This is an interdenominational study, open to men and women. There is no charge and no book to buy – the Bible is the study guide with use of commentaries by trusted Christian writers. Bring any translation of the Bible you prefer to use.

The Bible study group is engaged in a study of Ephesians which is being taught by Pastor Tom Weitzel. The focus of this study is various topics from Paul’s letter to the Ephesians such as the greatness of God, the exalting of Jesus, the unity of Jew and Gentile, and the struggle with Satanic powers, to name a few. Pastor Tom states that perhaps one of the most important messages for our time is to learn about our status as believers “in Christ” and that engaging our minds in the study of the Word is crucial in our getting to know Jesus as our personal savior. When this study concludes, Sylvia Hansen will be leading the Bible study group for its Friday Bible studies. Obviously, for various reasons, not everyone can attend every Friday, and even though there is some building of content one session on the next, in a sense, each session stands alone.

If you have any questions about the Bible study, please call Ardella Burtman at 480.993.3102.

For information on times and places for the breakfasts. For information about times, places, and reading materials for the women’s reading group, contact Sylvia Hansen (480-984-4347).

Springs Chapel invites everyone to attend its services and participate in its activities. Residence in Sunland Springs Village is not a requirement for attendance – EVERYONE IS WELCOME TO ATTEND regardless of place of residence.

Many of us over the past few weeks have been focused on the Olympic competitions or “races for the prize.” Each of us has also been called by our Lord to run a race of faith, and this race lasts not only for a few short days, as do the Olympics, but for a lifetime. Hebrews 12:1-2 says, “...let us also lay aside every weight, and sin which clings so closely, and let us run with endurance the race that is set before us, looking to Jesus, the founder and perfecter of our faith.”

Community Bible Study

By: Ardella Burton

A community Bible study is held every Friday morning at 9 AM in the Springs Card Room. The Bible study is open to anyone who wishes to attend and is not restricted solely to residents of Sunland Springs Village. This is an interdenominational study, open to men and women. There is no charge and no book to buy – the Bible is the study guide with use of commentaries by trusted Christian writers. Bring any translation of the Bible you prefer to use.

The Bible study group is engaged in a study of Ephesians which is being taught by Pastor Tom Weitzel. The focus of this study is various topics from Paul’s letter to the Ephesians such as the greatness of God, the exalting of Jesus, the unity of Jew and Gentile, and the struggle with Satanic powers, to name a few. Pastor Tom states that perhaps one of the most important messages for our time is to learn about our status as believers “in Christ” and that engaging our minds in the study of the Word is crucial in our getting to know Jesus as our personal savior. When this study concludes, Sylvia Hansen will be leading the Bible study group for its Friday Bible studies. Obviously, for various reasons, not everyone can attend every Friday, and even though there is some building of content one session on the next, in a sense, each session stands alone.

If you have any questions about the Bible study, please call Ardella Burtman at 480.993.3102.

Library News

By Jan Orr

The library is being used extensively this season. Thank you all for honoring our ten year time line on most books. We have no expiration date on Westerns and most non-fiction books. Several people have inquired about how to tell if a book is more than ten years old. The copyright date is in the first few pages of the book and will tell you when it was printed.

We would like to thank the person who donated a brand new Scrabble game for every- one’s use. That is a nice addition to the other games and puzzles we have. Stop by and take a look.

Dancing with the SSV Stars

By: Jane E. Harrel, Editor
Photos by Bob and Marge Card and Paul Leber

The first Dancing with the SSV Stars was held Sunday, February 9, 2014, to a full house. The stars were: Eldon Junker-
meier danced the foxtrot to “Fever;” Gene Lutter danced the Swing in a hospital gown and used a walker; Judy Winkler, “saved a horse, rode a cowboy” doing the country two step; “Brassy” Betty Carey gracefully performed the waltz; Cyndy Camomile shook her bootie in the salsa; and Dale Miller reminded us about Disco. They all did a fantastic effort considering they only had ten hours of training.

After each performance, the panel of judges (Ken Davis, Lynda Schular and Jim Lewis) critiqued each dancer in a very knowledgeable and comedic way. All the dancers were awarded at least a seven from each judge, and there were even a couple of tens.

While the votes were being counted, the audience was treated to a multitude of dances by the Utah Ballroom Dance Company, a troupe of a dozen dancers and tech people. What a SHOW!! What was amazing was the constant costume changes during the six dances they performed.

Finally, it was time to announce the winner. The Master of Ceremonies stated that it was a very close race and named Betty Carey and Cyndy Camomile as final-
ists. Cyndy was crowned the winner of the Mirror Ball Trophy.

Sunland Springs Village
Holidaze Craft Fair
By: Barbara & Jerry Pointer

Attention All Crafters!!! It is already that time of year to think about our 2014 Holidaze Craft Fair. The Fair will be held right here in our own Sunland Springs Village’s Auditorium on November 8, 2014, from 8:30 AM to 1:00 PM.

Residents of SSV are given the first opportunity to register and secure a table or space, however, registration will be opened to crafters outside of SSV soon. In previous years all the tables and spaces have been booked, and we had a waiting list for crafters wishing to participate. So please, do not delay; registration forms are available at the Activities Office now. Completed registration forms and fees, should be returned to the Activities Office as soon as possible to secure your space.

Table fees are as follows: Eight foot table - $20.00; five foot table - $15.00; six foot space only - $10.00 (you may bring your own approved table); electricity - $2.00. Please note: There are a limited number of tables available with electricity. If you have any questions or for further information, please call or email Barbara or Jerry Pointer at 480-393-3814, or e-mail at ssvholidaze@hotmail.com.

Brinton School Needs your Box Tops and Labels
Sponsored by Mary Tasto’s writing class

Please save box top education coupons from Campbell and Progresso soup labels for Brinton Elementary School. Cut along the dotted lines and bring the coupons to the Activity Office depositing them in the container, and they will be taken to the school. Education labels are on Kleenex boxes, snack, cereal, cake and cookie mix boxes and more. Labels are on many Campbell Company products. Please check before tossing the container.

The students receive many items from these sources that they would not have if it wasn’t for you saving the coupons. Brinton School also has a tax credit program in which donations up to $200.00 per person or $400.00 per family are given to the school for extras, such as field trips, books, and they give the donor a tax credit. Go to mpsaz.org if you are interested.

Thank you from the students at Brinton Elementary School.

Photo Club Activities In March

By Marjorie Card

The big event this month will be the ANNUAL PHOTO EXHIBIT in the Auditorium on March 16 from 1 to 3:30 PM. For the tenth year, club members will share their photos with the community, and it is free. We will display over 100 images, and for the first time, the titles and names of the photographers will be shown so that you can ask questions or give comments.

Club members enjoy sharing their expertise with others, so if you would like some help with your equipment or photography skills, there are several events that will be of interest and are open to residents and friends.

Wednesday, March 12, from 1-3:00 PM, Superstition Room: You are invited to bring your camera so members can help you LEARN YOUR CAMERA’S FEATURES. We can also help you set your camera for taking different types of photos, such as landscape, night shots, and children. Bring your camera manual since there are so many different brands and models.

Monday, March 24: Join us for a FIELD TRIP TO BOYCE THOMPSON ARBORETUM. Meet by the Activities Office at 9:00 AM with your brown bag lunch to carpool. Experienced photographers will be available to mentor beginners and help you with composition and technical details as we enjoy the great scenery, birds, and variety of plants at the site.

March 3 is SHOW AND LEARN, which has replaced the Monthly Competition. Judges score the members’ photos. Then a Commentator facilitates a discussion evaluating each image and making suggestions for improving it. This is a great learning experience. March 10 is the BUSINESS MEETING. March 17 will be a PROGRAM BY KAREN LOWERY. All of these meetings are on MONDAY AT 1:00 P.M. IN THE SUPERSTITION ROOM.

We find photography a rewarding activity that challenges us, takes us to interesting places, and gives us the opportunity to share the experience with friends. WE INVITE YOU TO JOIN US.
**Writers’ Club**

By: Nan Miller

The Writers’ Club continues to meet the first and third Thursdays of each month. On March 6, you will find them in the Summit Card Room from 10:00 AM until noon. However, on March 20, because of the shortage of parking due to the tennis tournament, the group will meet at Nan Miller’s home at 11050 E. Monte Avenue. That day they will have Paul Workman, former editor at the Medina, Ohio, Gazette, speak on query letters and how to approach editors. Those wishing to come March 20 are asked to call Nan at (480) 984-1852 so adequate seating can be provided.

The Club has added a special interest group which meets the second Thursday of each month in the Summit Card Room from 10 AM to noon. This SIG provides more detailed critiques of members’ books chapters and articles. March 13 is the date of this meeting.

Writers’ Club encourages those who have an interest in writing and want to improve their skills to join us. Our group covers a variety of writing interests: fiction, nonfiction, beginners to published novelists. Genres are just as varied. Nan Miller, club coordinator, assigns an essay each time which members read at meetings. As alternatives, anyone is welcome to their work in progress, or just listen to the group. At meetings where there is no guest speaker, the Club dedicates time to a topic on improving one’s writing skills.

**Variety/Talent Show**

By: Doris Havelka

It is that time of the year again where you can come see your friends and neighbors entertain! The Karaoke Club is again sponsoring this fun show. We have all new acts, some of which include a ventriloquist, guitar player, a wash tub and wash board player, singers, dancers and comedy.

Get your tickets early and mark your calendar for March 8. Doors open at 6:30. Only $6 in advance and $8 at the door! For additional information, please contact JoAnne Chapin at 480-386-2302.

**Saturday Bunko**

By Joe Fusaro

Our players were Ada and Warren Wright, Agnes O’Byrne, Ethel Gross, George and Midge Perry, Lynda and George White, Helen Olyoke, and Joe and Linda Fusaro at Saturday Bunko. We meet at 2:15 PM in the Majestic Card Room on the second Saturday of every month, even in the summer.

Bunko is played with dice and is a very simple game to learn. We collect $3.00 to be distributed for the seven winning categories. At the end of Bunko, we also play a game for $1.00 called “Left Center Right.” There are two winners in the game. We are usually finished by 4:30 PM.

For more information or for a copy of the playing rules for either game, contact me, Joe Fusaro, by email at FNC@FNCFNC.com or call 480-951-3674.

**Ceramics Club**

By: Mary Parks

Do you like to work with your hands? Do you like to doodle? Do you like handmade gifts? Try ceramics! The Ceramics Club invites anyone, whether an experienced ceramicist or you would like to learn a new craft, to join us in the Four Peaks Room for tutoring, fun and camaraderie.

Informal ceramics classes are in full swing, and the Four Peaks Room is brimming with creativity. Our schedule of formal classes include: clay building projects, where we create a serving tray from slabs of clay and carve flowers into a vase; horsehair technique, where we use actual horse hair and apply it to very hot bisque to create a unique effect; and specialized glazed objects. Let one of us know if you would like to learn a particular technique, and you might see it on the schedule. Three of our teachers are learning glass fusing and will be offering classes in the next weeks.

Open sessions are held in the Four Peaks Room on Monday evenings from 6:00 PM to 8:30 PM as well as Tuesday and Thursday from 9:00 AM to 3:00 PM. In addition to a yearly membership fee of $25, due now, a very modest session fee ($2.00) gives you access to all supplies and firings. Examples of our work and the current class schedule can be seen in the Four Peaks Room.

For additional information, please contact JoAnne Chapin at 480-386-2302.

**Computer Club**

By: Jane E. Harrel, Retiring President

CONGRATULATIONS to our new Officers, who will be installed March 5, 2014. They are: Pat Miller President, Diana Grubb Vice President, Programs Earl Miller Vice President, Operations Rose Siminoe Secretary Connie Cleary Treasurer

Things are slowing down for the season with only the third week of the month scheduled so far, and you know what that is…Apple Products Week. According to the calendar on the website, all other meetings will be one-on-ones or breakout sessions. These are very important meetings as you will be given tutoring on those programs that have been giving you fits, like the Snipping Tool, Windows 8 or 8.1, email, your android tablets or phones, or whatever else with which you need assistance. Be sure to bring your devices with you so you will be able to have hands-on help.

The Computer Club meets every Wednesday at 10:00 AM in the San Tan Rooms from October through April. From May through September we meet the first and third Wednesday of each month in the Superstition Room. Come join us. This will be my last newsletter for the Computer Club. I have been doing this for about nine years now and have enjoyed every minute leading the meetings, teaching classes, giving demonstrations and just sharing every Wednesday morning with all of you. But it is time for me to step down and get some fresh blood running through the Club. Thank you so much for all your support throughout the years. I will be escaping the entire month of April on a cruise to the South Pacific. I may not come back.

**Textile Arts Center**

*By: Ann Owens*

We have been busy at the sewing room in February with lots of activities. Of course, we had our yearly quilt show with items that we have made in current classes or at home over the summer, or even some antique quilts. A quilt made by a grandmother was rescued and hand finished by our quilter, and it is now a wonderful keepsake for her.

We made for the first time, a landscape quilt, which was lots of fun; everyone in the class had a different looking scene, each using their own imagination to complete; we also had a class on purses made from neckties, which turned out very cute; and we had our first shop hop to three shops and lunch. We had a “striped fabric” quilt class that taught us how to match striped fabric into a block, and then add to the blocks, again matching the stripes.

We started a “free motion quilting” group for those of us who would like to learn more about doing our own quilting and design. We continued to work on what we call “Caring Hearts” charity quilts, which are distributed wherever needed. We also are doing “Christmas Stockings for the Homeless” which are sewn and filled with stocking stuffers for the homeless children, a very worthy and heartwarming project. This can be done at our “sew-ins” or contact Nita for kits.

We have had the opportunity to partner with some other villages and gain ideas on what we can do in our own group. We will have a speaker, Linda MacPhee, doing a workshop at SSV on March 4, from 9-12, in the Superstition Room. The event is free for SSV residents and guests. Please sign up in the Red Mountain Room. Seating is limited.

We are traveling to quilt shows such as the Phoenix Quilt, Craft and Sewing Festival. And for the first time, Paducah is coming to Phoenix, so many of us are planning to support this large show and hoping that they will decide to return again.

Dave and Belle Myers
By: Nan Miller

Dave and Belle Myers have been married 52 years. They moved to SSV in December 2000, and have been volunteering from the beginning. Belle served on the HOA Buildings Committee, and she is currently chairman of Table and Chairs Committee and participates in quilting and genealogy. Dave, a photo club member, golfed for eight years. He belonged to HOA Architecture Committee as well as the Recreation Facilities Committee. They both assist where needed every Sunday at Chapel, making announcements, ushering, and chairing homecoming and the anniversary.

Dave is a rare Phoenix native. He attended New Mexico State University studying electrical engineering. He worked for U.S. West and became the first supervisor of the company’s computer center in Tempe, retiring in 1990 as data base manager. In 1995, he became loss prevention manager for CompUSA for three years.

Born in Scotts Bluff, Nebraska, Belle moved to Arizona at age four. She graduated with a major in management from Mesa Community College. Belle retired from the telephone company in 1966 to become a full time mom. Starting about 1980, she worked for 15 years in the cafeterias at Mesa’s Hawthorne and Crimson Elementary Schools, first as server then manager. From 1995-2010, she was a salesperson for Hancock Fabrics. Since November 2009, you will find her at the cutting table of the fabric department at Hobby Lobby.

Having three sons participating in Boy Scouts, Belle was a Den Mother and Dave was Cub Scout Master and chairman of the Boy Scout troop. He also served as Committee District Chairman for two years and was awarded the Silver Beaver Award for his efforts. In his spare time, Dave works on Bonsai and restoring cars and antique clocks. He had a collection of 80-90 clocks but has pared it down to about 25.

Becoming RVers in 1990, they have served roles in several RV organizations. The Myers have been Arizona State Directors for Good Sam and were captains in FMCA seminars for the Mountain State Rambles.

Dave and Belle still spend summers in their motorhome working at Yellowstone National Park’s Madison Campground. This past summer they “did it all” at a Barton Flat, California, campground.

Dale Hawkins
By Nan Miller

A native of Iowa, Dale Hawkins resided in that state until he moved into SSV’s Golf II Condos in December 2005. He soon joined their HOA board and has been President since 2006. At the same time, he became SSV’s “Sound Man,” responsible for operating the sound board for the Chapel later adding the Playhouse, Village Voices Chorus, and talent shows.

Dale attended Iowa Wesleyan at Mount Pleasant for a year before going into sales of agricultural supplies. In 1997, he became a real estate salesman. His retirement in 2005 brought him to SSV where he could devote himself to his passion for golf.

Dale started his interest in volunteering in Iowa as a member of Rotary International District 6000 for 34 years, and had the Paul Harris Fellow Award bestowed upon him. He was a board member for 20 years and President the last eight years, of Cedar Foundation Tipton Nursing Home.

Every Monday, Dale with his wife Martha are volunteer navigators at Sky Harbor. They are greeters for passengers and their job includes giving directions. Because of their passion for golf, they belong to Couples Golf League. Dale and Martha have been married for 56 years and have one son and one granddaughter.
